Rev. Bruce Taylor,

St. Paul's Presbyterian Church,
Montreal.

My dear Dr. Taylor:

I have received an application from Dr. Welsh on behalf of the Theological Faculties of McGill bringing to my notice the name of Dr. Craig as a suitable man for a position in Orientals in the University. Dr. Welsh speaks of Dr. Craig in the highest terms, and says that if it had not been for the appointment of a Methodist he would have been given the position in the theological college at McGill. It is necessary for us to go very carefully before we make any appointment, and I should like to know whether you can give me any information as to the character of Dr. Craig's work. Do you know how he managed his classes? His quality as a teacher, and his ability to work satisfactorily with members of the staff? I should like you to regard this letter as confidential, and I will treat your reply in the same way. With kind regards,

I am,

Yours sincerely,

President.
